Subject: FCC Class II Permission change for FCC ID: U43WIH800

Original Grant Date: 12/24/2014

Dear Sir/Madam,

This is to request a Class II permission change to our commercial induction range, Model WIH800(FCC ID:U43WIH800) the device is identical to the previously certified model except for the changes as below for details:

The model WIH800 changed the PCB board, no other change

(The change of PCB only increases the function of high current protection, and does not affect the power and frequency of the product)

This authorization is valid until further written notice from the applicant. Please contact me if you have any questions or need future information regarding this application.

Best Regards,
